

Greetings interplanetary Fashionistas! We are experiencing a gravitational pull...OH NO...HOLD ON.....the magnetic field has got us!! It looks like it's the 2017 INTERGALACTIC SNOWDOWN FASHION DO'S AND DON'TS we are speeding towards!!

Resistance is futile! We will have a mind melding **brainstorming** meeting **Wednesday December 14, 2016, Noon at Steamworks** to toss around some fashion ideas. Plus it's a cosmically good excuse to have a drink in the middle of the day! Please join us if you can, but it's completely optional. The first official meeting will be Jan 4, 2017.

Ok, so a few laser brained fashionistas have already been busy planning their out-of-this-world fashions. Son of a Bantha!!! Here are ideas/songs we know are already taken, so move along, there's nothing to see here:

David Bowie's "Ziggy Stardust", female Darth Vader, female Stormtrooper, Jane Fonda's Barbarella, Steve Miller's "Space Cowboy", Genesis' "It's No Fun Being An Illegal Alien", Beyonce's "Who Runs The World", and parts to the Star Wars main theme.

For planning purposes, here are the meeting dates for 2017 Fashion Do's and Don'ts:

As you ponder your fashion, remember, the goal is to make it look like a fashion you would see on the runway; time limit is 1-1/1/2 minutes depending on how many fashions we have, and the number of people in your fashion shouldn't exceed 6.

Please don't hesitate to contact us with any questions, especially if this is all new to you. Thanks and hope to see you Dec 14th for some brainstorming and we're guessing a few laughs too!
